

## BARBECUE FEAST ATTRACTS 8,000 COUNTY CITIZENS

Alarmists Put to Rout When Citizenship of Wilbarger Gather About Festival Board to Pledge Friendships—Speakers Urge Co-operation for a Greater Wilbarger Development.

City and precinct limits were wiped out Friday when 8,000 enthusiastic Wilbarger citizens gathered at Fair Park in Vernon to commune as neighbors and friends, all differences forgotten, for the common good of the entire citizenship and for the general upbuilding and development of the county as a whole. It was a sort of "love feast" in which citizens of town and county rubbed elbows and renewed the friendships of long years standing. The meeting had no political purpose, the object being to bring the people together in a friendly gathering for a consideration of community activities. Local speakers emphasized that town and country are linked by inseparable ties and that one will profit in proportion to the prosperity of the other. By common consent the alarmist was given a knock-out blow for Wilbarger is prosperous.

The gathering was attended by citizens from all parts of the county. The estimate of the crowd was procured through a count of the automobiles that passed through the park gates, it being alleged that more than 3,000 cars entered the enclosure. Each and every participant entered into the enthusiasm of the occasion and the slogan a "greater development for Wilbarger county," was exemplified in many different ways. A smile and a hearty handshake characterized the friendly greeting and the gay and happy throng mingled and mingled in the happy association of an old time barbeque and picnic.

Vernon's contribution to the gathering included twenty-one big and fat hives, 10,000 pounds of fresh bread, 500 gallons of coffee and an abundance of ice water. Many of those who came brought along baskets of good things which when supplemented by large portions of the barbequed beef, provided a feast that was ample to divert attention from the hurtful campaigns of personal abuse that have threatened to turn friend against friend. The hives were barbequed over long pits dug beside the shady grove and long tables erected beneath the shade provided ample eating places for many while others found seats in their cars.

**Visitors Made Welcome**  
The visiting throng was made welcome by Mayor Harry Mason, who stressed the point that it was a county gathering held in Vernon for convenience. Lon Byars, as master of ceremonies, stated the purpose of the gathering and urged those present to forget political differences and devote this one day to a consideration of this wonderful country in which we live and how it may be made even a better place in which to live. Andy Bouldard touched upon the subject of community co-operation and the need for union of purpose. Dick Coffey as manager of the Wilbarger fair called attention to the splendid program that is being arranged and urged farmers throughout the county to enter their products in the various exhibits. L. G. Hawkins talked on the "Ties that Bind" featuring the needful co-operation between town and country in putting over the projects really worth while.

Dinner was served cafeteria style promptly at 12 o'clock. The steaming hot barbeque was carved and dished into picnic plates and placed before the waiting throng who helped themselves to as many plates as there were people in their party. The service continued until every one had been served and there was plenty for all.

In the afternoon a ball game between East Vernon and a picked team from Harrold and Oklaunion provided amusement for that portion of the east crowd which did not find its way to the business section of the city. Stores were closed from 11 o'clock until two and business men and clerks mixed and mingled with their customers and friends on the picnic grounds.

The success of the gathering is due perhaps to the untiring efforts of Lon Byars and E. W. Hampton of the committee on arrangements. These gentlemen gave their whole time to the preparations for the big event for several days. Aided by the finance committees they had made ample provisions for such a large crowd.

## STATE INSPECTOR COMMENDS VERNON PROVISION STORES

After Thorough Inspection Only Suggestion is that Eggs Be Canned—Pays Tribute to Merchants Who Gave Every Co-operation in Making Inspection—Stores are Clean.

M. Piersop, state inspector of food supplies, has visited Vernon and made an official inspection of the various food supply houses with the result that he voluntarily commends the business men for the cleanliness of their places. The inspector made but one suggestion to the reference to betterment of the local situation and that was handling of eggs. To the Record representative he made the following statement:

"As state inspector, I have not found any places where the business men gave better co-operation than here at Vernon. The state sends its inspectors out to improve conditions, surrounding food handling and if their recommendations are followed it acts not only for benefit of public health but tends to improve the business of the business man. A clean place and pure food, well protected from contamination, is a standing advertisement."

"I wish to pass a word of caution in regard to handling of eggs. Every bad egg sold is a knock on the business even though you make it good. People always want to know they are buying good fresh food stuffs and to know this, eggs should be candled from the farmer to the consumer. No honest producer should object to their eggs being candled and the bad ones destroyed. Eggs with blood rings or black spots are not fit for human consumption. Other spoiled food stuffs are usually visible when bought but bad eggs are visible only through the eye of a candler. Let's improve the egg situation here. These things are in Vernon and not those at Austin."

"I wish to thank the city officers and the business men for their co-operation."

**Crowell Couple Married**  
Hardin Russel of Margaret and Miss Leta Burk of Crowell were married Saturday afternoon at 4 o'clock by Dr. C. A. Waterfield of the Methodist church at his home on W. Pease street. Lee Bradford of Margaret and Mrs. P. D. Chaney and little son, P. D., Jr., witnessed the marriage. Mrs. Chaney is a cousin of Mr. Russel.

By this marriage, two prominent families of Foard county are united. Mr. Russel is a son of J. F. Russel, well known farmer of Margaret community. The bride is the daughter of Judge and Mrs. G. L. Burk of Crowell and both are pioneer residents of Foard county. The bride has been a teacher in the schools of Foard county for several terms. They are now in Graham visiting relatives and will be at home on their farm near Margaret after September 1.

**Another Car Lumber Arrives**  
County commissioners have received another car of flooring to be used in the repair of the lower bridge on Pease river. Another car load to be used at the same bridge is reported as lost in transit. Work is progressing nicely on the upper bridge on the Colorado-to-gulf highway across the same stream and this bridge will be completed before they commence work again on the lower structure. All materials for both bridges will be on the ground when the last car arrives.

**Notice Precinct Chairmen**  
The County Democratic Executive Committee is called to meet in the district court room Saturday, September 2nd, 1922 at 10 a. m. to canvass the returns of primary election held on August 26th, 1922, and to transact any other such business that may regularly come before it.

This committee is composed of precinct chairmen elected by precinct conventions on August 26th, 1922.  
J. O. ROUSE, Chairman.  
NEELY B. HODGE, Sec.

**Fargo Club to Meet**  
The Fargo Home and School club will meet with Mrs. J. S. Cartwright Friday afternoon at three o'clock. The subject will be laundry, making of soap and removal of stains. The leaders will be Mrs. L. E. Packer, Mrs. R. B. Richardson, Mrs. R. E. Harrell and Mrs. F. M. Sweetmon.

## SAYS SECRETARY'S SON IS POOR PROVIDER

Mrs. Muriel R. Shaw, whose young husband, Earl R. Shaw, son of Leslie M. Shaw, former Secretary of the Interior has filed suit for divorce at Santa Rosa, Cal., declared she loves her husband dearly and would resist his divorce suit. "My husband," she added, "never bought me as much as a pair of shoelaces with his own money. His father gave him money from time to time, and it was on this money that we lived." They were married in Baltimore in 1913.

## CHILD FALLS UNDER AUTOMOBILE WHEELS

ROBERT TURNER, AGE 7, RUN DOWN AND PAINFULLY INJURED.

Robert Turner, 7, son of Mr. and Mrs. R. S. Turner of S. Wood street, was badly injured Saturday afternoon when he fell under the wheels of an automobile driven by Miss Lenice Bonner. The accident occurred on E. Texas street, near the Bird hotel about 4 o'clock Saturday afternoon as people were rushing to a fire in that part of the city. Several little boys were playing together in the street and it is thought that the little fellow became confused as they scampered to safety and turned back in front of the car thinking he would cross the street again. The car was being driven at a moderate rate of speed but one of the fenders caught the lad by his clothing throwing him under the car and the two front wheels of the automobile passed over the boy. Miss Bonner stopped the car within six feet of where the accident occurred. The little boy was rushed to a hospital and on examination no broken bones were found. He was suffering from internal injuries. He is recovering and is pronounced out of danger by the attending physicians. Miss Bonner, who collapsed after the accident is recovering. She was accompanied by Christine Gregory and Allie Randall, who assisted in removing Miss Bonner to her home.

**Return from Las Vegas**  
Rev. and Mrs. L. J. Minns, Rev. and Mrs. L. A. Foster and Miss Beulah Nowlin and W. N. Stokes and R. L. Freeman returned Saturday from a ten days' outing in the White mountains of New Mexico. They report a splendid time.

## COMPANY L MEN HOME ON FURLOUGH

FOUR MEMBERS LOCAL COMPANY ARRIVED FRIDAY TO LOOK AFTER CROPS.

Four members of Company L, Texas National Guard, arrived from Denison on temporary leave of absence to look after their crops. The men are Jake Rowland, Claude Gordon, Euclid Andrews and Lawrence Hahn. A total of twenty-eight men out of the battalion obtained leave of absence last week for similar purposes, but only sixteen of that number got off at Vernon. The other twelve getting off here went to Crowell.

In discussing the guard work at Denison, Lieutenant Russell said there was a shortage of men in the battalion due to the fact that trials start at Sherman this week and large detachments of M. P.'s will be stationed there. The trials of parties arrested under the "open port" law will be given military trials. It is said that arrests will average about ten each day.

Sergeant W. C. Albright is jailer at Denison. He has the jail pretty well filled up according to reports.

Sergeant Roy Stephens is expected home on account of the illness of his wife.

## DR. WATERFIELD TRANSFERRED TO COLORADO CHURCH

Change Made at Pastor's Request Because of Health of Mrs. Waterfield—Leaving Today for Colorado Springs—Rev. Dickerson, Six Years Pastor There, Comes to Vernon.

Rev. C. A. Waterfield, pastor of the Methodist church here has resigned his pastorate and accompanied by his family, are leaving for Colorado Springs, Colo. Dr. Waterfield attended the conference held at Trinidad, Colo. recently and was assigned to the Methodist church of Colorado Springs. Rev. Dickerson, who has been in charge of the church there for six years is coming here and will arrive Friday to take up his duties.

The change was made because of illness of Mrs. Waterfield and it is thought that the move will benefit her health.

Dr. Waterfield with his family came to Vernon in November of last year from Nashville, Tenn., and under his leadership the church has prospered greatly. His going is deplored by the membership of the church as well as other friends who wish for him continued success in his new field of endeavor and that the health of his wife may be restored.

## VERNON EVANGELIST TO CONDUCT REVIVAL

Rev. Foy E. Wallace of Vernon, noted evangelist, will begin a revival meeting for the Plainview Church of Christ at the city auditorium on September 3rd. This is the annual protracted meeting of the Church of Christ.

Tillett S. Teddlie, also of Vernon, will be in charge of the song service. He is an able singer. He will be assisted by Rev. O. M. Reynolds, pastor of the local church.

The greatest amount of publicity possible is being given this meeting by the local members of the church. Large window cards have been placed in the show windows of the city, and yesterday R. M. Peace, accompanied by one other member, made a tour of the entire section, including Lockney, Floyd, Ada, Lorenzo, Ralls and Crosbyton. Matador and Silverton, placing window cards and leaving hand bills. On every mile post which the church has had erected will be placed a similar advertisement. A large attendance from Lockney and from Lubbock, where there are good congregations of the Church of Christ, is expected at this meeting—Plainview Herald.

## DEMOLAY CHAPTER TO BE INSTITUTED SATURDAY

E. M. Haney, who is mustering candidates for the institution of a DeMolay chapter in Vernon, is in receipt of information to the effect that members of the Wichita Falls chapter will visit Vernon on Saturday of this week for the purpose of instituting the local chapter. The delegations will arrive early in the afternoon but the institution of the chapter will not take place until about 6 o'clock.

Approximately thirty young men, sons of Vernon Masons and their friends, compose the charter members of the local chapter. They are looking forward with much delight to coming ceremonies.

**Miss May Catherine Massie Is Home**  
Miss Mary Catherine Massie, who has been in Rochester, Minn., for six months, returned home Sunday, accompanied by her aunt, Miss Grace Massie of Roswell, N. M. Miss Massie is much improved in health after her long illness. Miss Grace Massie has returned to her home in Roswell and will be joined later by Miss Mary Catherine who expects to spend the winter there.

**Small Blaze Saturday Afternoon**  
The home of Mrs. Josie Jordan in East Vernon caught fire Saturday afternoon about 4 o'clock but was quickly extinguished by the fire company who made a hurried run to the scene. The blaze was caused by wall paper back of an oil stove becoming ignited. The damage was slight.

**Music Class at Medicine Park**  
Mrs. W. H. Huggins, accompanied by older pupils of her music class are in Medicine Park this week for an outing.

## WANTS \$100,000 FOR HER LOST LOVE

Miss Edith Ransom, beautiful Richmond (Va.) girl, has filed suit in New York against John R. Woodward, wealthy newspaper stockholder, for \$100,000, asserting he broke his promise to marry her. Woodward denies it. Miss Ransom alleges that after a two-year courtship Woodward told her to marry another man, or else go to Chicago where living was cheaper.

## LABOR DAY SHOOT WILL BRING CROWD

VERNON SHOOTERS WILL ENTERTAIN FRIENDS FROM SURROUNDING TOWNS.

The annual shoot by the Vernon gun club will be held Monday, September 4 at Fair park. This Labor Day event promises to be a big occasion for shooters from Quanah, Wichita Falls, Managua and Childress will be here to participate. The shooting will include 200 targets and will begin Monday morning at 10 o'clock.

Heretofore the annual shoots in Vernon have been largely attended and some high guns have been reported. It is confidently expected that the one to be held next week will rank with the best held in the county. Programs will be out soon giving classification of the contests and the prize awards to be made for the high guns.

The Labor Day event is expected to bring an unusually large crowd of shooters to Vernon and effort will be made to entertain them royally.

## Hollis Denies Charges

Chairman W. O. Hollis of the federated shopkeepers at Wichita Falls denies the charge made by Herbert Chick, Vernon youth, that union men of Wichita Falls gave him a beating Thursday night because the youth was suspected of being a strike breaker. Hollis declared that Chick was not carried to the labor temple and questioned.

## RUTH KOPP DIED VERY SUDDENLY

DAUGHTER OF REV. AND MRS. LEWIS P. KOPP PASSED AWAY SATURDAY.

Ruth Kopp, 14, daughter of Rev. and Mrs. Lewis P. Kopp, died suddenly Saturday evening at 8 o'clock at the home of the family. The little girl had been suffering all week from a throat affection but it was not thought that she was dangerously ill. She was gargling her throat when she called her mother and told her that she was choking. The mother guided the child out on the porch into the fresh air but she sank down and expired immediately.

Funeral services were held Sunday afternoon at the Central Christian church with Rev. E. L. More of the Presbyterian church officiating. Interment was made in East View cemetery.

Rev. Lewis P. Kopp came here as pastor of the Central Christian church from McAllen, Texas, less than a month ago.

Ruth is survived by her parents and a sister, Esther. Sorrowing friends are extended condolence to the bereaved family.

## CHURCH OF CHRIST REVIVAL GROWING IN INTEREST DAILY

Twenty-nine Additions to Church Have Resulted—Evangelist Foy E. Wallace Preached on "Preparing to Meet God" Sunday Night—Six Candidates for Baptism at Morning Service.

The revival meeting in progress at the Church of Christ with Evangelist Foy E. Wallace doing the preaching, is progressing with increased interest as the meeting goes over into the second week. Due to the fact that the evangelist and singer must open a meeting in Plainview on Sunday the meeting here will be closed during the latter part of the week. There have been twenty-nine additions to the church as a result of the services. Six of the candidates for membership were baptized this morning. T. S. Teddlie is song leader and a large choir is rendering splendid music for each service.

The subject of the sermon for Sunday night was "Prepare to Meet God." In his discourse the evangelist showed that one must prepare to meet God in nature first and that should be that one can meet God in nature if prepared but not everyone who looks into nature meets God. It takes preparation.

One may meet God in revelation because God is revealed in the Bible, but not every one who reads the Bible meets God. Tom Payne read the Bible but failed to meet God. Robert Ingersoll was very familiar with the Bible but the influence of his own life testified that he failed to meet God in it.

One can meet God in worship if prepared. Jesus said they that worship God must worship in spirit and in truth. In order to meet God in worship it must be spiritual worship and according to the divine truth both elements are necessary.

In order to meet God at the judgment one must prepare while living in the world. Illustrations were given using the parable of the wedding feast. When the king came he saw a man without the wedding garment and he said, "why earnest thou here without the wedding garment?" and the man stood speechless. In order to be prepared for the judgment one must put on the wedding garment and the wedding garment is Christ.

Quoting from Gal. 3: 27 the speaker read, "For as many of you as have been baptized into Christ have put on Christ."

The exhortations for the evening was to get men prepared for the judgment.

## JOINT ENCAMPMENT IS ATTENDED BY MANY

The joint encampment held by Home Economic clubs of Wilbarger and Baylor counties on Beaver creek last Friday and Saturday was well attended according to Miss Goodfellow, home demonstration agent, and much good will came of it. Some of the ladies brought their husbands along as a safety first measure and they proved quite handy about the place. The afternoon of Friday was spent in a very enjoyable and instructive program with Miss Edwards of A. & M. College and Mrs. Phoebe K. Warner of Claude as the principal talkers. These well informed ladies gave the campers the benefit of their experience in home economics and talked on home conveniences.

Mrs. Warner, well known writer, admonished the good women of the county clubs to make it a point to take two days off for the encampment each year. She declared that most women felt that it was impossible to do this but that it would be worth their while to meet other women and talk over home problems. Miss Edwards was also an interesting talker.

**Blaze Does Slight Damage**  
A house belonging to Mrs. Caldwell and occupied by W. C. Harris, on Olive street, was slightly damaged by fire Monday morning when a defective flue caused a blaze to start in the ceiling. Parties close to the scene climbed upon the roof and extinguished the blaze by the time the fire department arrived. A small hole was burned in the roof.

**Hillcrest Dance Friday**  
Mr. and Mrs. S. P. Ingram and Mr. and Mrs. H. O. Colley are hosts and hostesses for a dance at Hillcrest Friday night. Music for the occasion will be furnished by local people and the affair will begin at 8:30. All members invited.

## BETTER LIVESTOCK PURPOSE OF PURE BRED ASSOCIATION

Rousing Meeting Held Here Monday When It Was Planned to Make Exhibits at Fair as Unit—Trip to Dallas for Winner Grand Champion in Boy's Pig Club.

At a meeting of the Wilbarger County Pure Bred Live Stock Association, held yesterday afternoon in the district court room with W. T. Collins of Odell presiding, it was unanimously agreed by the members present to show their stock at the Wilbarger County Fair September 20 to 23 as a unit and also to give as a prize to stimulate interest in pure bred stock, a free trip to the Dallas fair to any member of the boys pig club who wins the grand championship honors in the pig class.

In their co-operative display of live stock they will have posters struck announcing the fact that they are members of this association and these will be placed on the pens where the animals are shown. A drive for membership will also be staged at that time it is announced.

Five free trips have been given to the girls clubs as prizes and with the one given yesterday to the boys' pig club makes the numbers even in each division; five boys and five girls will be sent said P. D. Chaney, county agent.

Plans for a bigger and better exhibit at the fair are being made by the association and they are going on record as preparing now for next year's exhibit. A pavilion will be built it is thought in which to house stock either at the fair grounds or near town, prizes will be given by this body for best animal in each class and a co-operative sale will be staged at the next annual fair.

Marvin Sharp is the newly elected secretary, taking the place of Jed Morrow, who has moved to Dallas. P. D. Chaney is assistant secretary.

Logan Creager, second vice-president of the association, who is also president of the Wilbarger-Wichita Live Stock association, extended a pressing invitation to the members to be present at the banquet given by the chamber of commerce at Electric Friday night. At this affair prominent speakers from A. & M. and editor of the live stock paper at Plainview will address the meeting. A hog sale by Guyer Brothers of this county will be staged next day in Electric.

Prominent hog breeders are expected from all sections of the Panhandle for this meeting.

At this point the fact was stressed by the president, W. T. Collins that no suitable place could be found in Vernon from which to conduct the hog sales and that a place should be built at once for this purpose. Other members suggested that each one give a bred sow to be sold and the proceeds be turned over to a committee who would erect a pavilion from the funds derived. With the co-operation of the chamber of commerce and the merchants of Vernon, who it is stated, look favorably upon this proposition, it is thought that the project could be put over. The next meeting will be held the first Saturday in October. A committee consisting of Rex Boyd, Joe Collins, Marvin Sharp, Logan Creager and George Richardson with Marvin Sharp as chairman, are in charge of the fair arrangements.

The following members were present: W. T. Collins, Joe Collins, Mark Neal of Odell, Logan Creager, Charley Moore, Joe Moore, R. L. Moore of Oklaunion, Rex Boyd, C. B. Bouldard of Harrold, and P. D. Chaney and George Richardson of Vernon.

**Mrs. Richie Very Ill**  
Mrs. C. A. Richie who was thought to be recovering from a month's illness was stricken with apoplexy late Saturday afternoon and is hovering between life and death at her home. On account of her advanced years no hope is given for her recovery. Her condition has remained practically unchanged since the hour she was taken so suddenly and alarmingly ill.

**Lost Roll of Bills**  
W. O. (Dumpy) Powell reports the loss of \$100 in bills and two checks, each drawn for \$12.50 at the picnic at Fair park Friday. He reported his loss to Manager Lon Byars and a diligent search was made in cleaning the grounds but no trace of the missing money could be found.

## FOURTEEN SCHOOLS HAVE TEACHERAGES

### NEW STRUCTURES ARE BEING COMPLETED AT HINDS AND BOURLAND.

Teacherages are being built this week at Bourland Consolidated east of Vernon and Hinds district north of Pease river. Bourland's will be ready for occupancy by September 11; the date the full term opens. It is to be a four room bungalow with modern conveniences and will be lighted from the electric system which furnishes light for their handsome brick school house. Mr. and Mrs. T. E. Pierce and Miss Chatman are teachers employed for this term.

An old school building moved from West Hinds is being converted into a house for teachers at Hinds consolidated and when finished will have six rooms. This school is located on Mrs. Betty Muller's farm. W. E. Grimes is principal.

Twelve other school districts have teacherages ranging from two rooms to ten in number. They are Kinchee, with a three room teacherage, E. H. Tooley, principal; Deans, three rooms, W. D. Warren, principal; Hancey, two rooms, H. H. Nixon, principal; Ronda, four room teacherage, Mrs. Naudie B. Clark, principal; Thompson, three rooms, Mrs. Sylvia Gowdger; Elliott, three rooms, F. H. Elam, principal; East Vernon, six room bungalow, A. B. Sturdevant, principal; Hank Hill, three rooms, E. H. Owens, principal; Oklaunion, four room bungalow, V. R. Glazener, supt.; Harrold, ten rooms two story, R. S. Covey, superintendent.

The first teacherage was erected at Deans seven years ago. The principal of the school built this house assisted by his wife who carried the mortar and brick for the chimneys and helped do all the carpenter work. At the close of his school term he sold the building to the trustees.

The most imposing teacherage is found at Harrold, a ten room, two story frame building with spacious living room, electric lights and other modern conveniences.

Time was that the teacher boarded round with the scholars, then a permanent boarding place was secured for them by strenuous effort, now they have a home at the very door of the school room where all the comforts of civilization are enjoyed.

The up-to-date Bourland consolidated with its brick building consisting of three rooms and an auditorium with Deleo lights and a four room teacherage is a far step from the old Dawson Valley school of 1881 the first school in the county. For this school and East View school joined together and Bourland consolidated was made.

Mrs. A. T. Boger of Vernon was the first teacher in the county and received the munificent salary of fourteen dollars for two terms of three months each. A dugout 12x14 housed the first scholars and articles of furniture were a writing desk nailed against the side of the wall and some rude benches made of cottonwood logs. A fire place in the corner was the only other furnishing the room possessed. Later the school was moved to Mrs. Boger's home. Pupils who went to the first school, living in Vernon today, are Mrs. Cecil Story, A. C. Boger and Lon Byars.

Education being awakened in this little neighborhood it was decided to erect a more modern building. The lumber was hauled from Gainesville

by A. J. and Lon Byars and a room was built 20x24 in dimensions and boasted a shingled roof instead of the dirt roofs of its predecessors. It was afterwards moved to Mrs. Wheeler Laidy's farm where it stands today.

Dawson Valley, out growing this building as a turtle does its shell, another school house was built on W. S. Bourland's farm and is now doing duty as a tenant house, giving way to the present brick structure on the B. H. Lewis farm, east of Vernon just a short distance off the Colorado to Gulf Highway.

#### Leak Thanks Voters

Memphis, Texas, Aug. 28th, 1922. The Vernon Record, Vernon, Texas.

Gentlemen:— I wish to express through the columns of your paper my most sincere thanks for the support accorded me in my recent campaign for the nomination for district judge of the 46th Judicial district. To say that I highly appreciated the vote given me on August 23 is modestly expressing my feelings of gratitude. I shall earnestly endeavor to show my true appreciation of your support by a fearless and impartial discharge of the duties of the high office to which you have nominated me, and sincerely hope that when my term of office has expired none of my many friends will regret honoring me with their suffrage in the recent primary, and with their part in elevating me to this most honorable position.

With kindest personal feelings to all, I am,  
Gratefully yours,  
JAMES V. LEAK.

#### Greever Scott

A wedding of much interest to Electra and Vernon people occurred Thursday night at Electra when Miss Annie Greever became the bride of Carey Scott of that city. The ceremony was performed by Rev. Byron T. Hoster of the Christian church at his residence.

Miss Frances Greever, sister of the bride and William Hule of Electra were the only attendants.

Mr. and Mrs. Scott are here in Vernon as the guests of the bride's parents, Mr. and Mrs. H. K. Greever of S. Mesquite street.

Mrs. Scott was born here and with the exception of a few months in Wichita Falls has lived all her life in Vernon. She attended Holcomb's training school here, also the Wichita Falls high school and was a student in Kidd-Key College of Sherman.

She is a very charming and popular girl of the younger set.

Mr. Scott came to Electra two years ago from Stamford and until recently was employed as an oil scout by one of the large companies in the oil field. His parents live at Stamford.

They both have many friends, who are extending congratulations and best wishes. They will reside in Lubbock.

#### Pretty Church Wedding

The Baptist church at Odell was the scene of a beautiful wedding Sunday night at 8:15 when Miss Augusta Castleberry became the bride of Dewey Marsh, Rev. D. Pearson officiated and the impressive ring ceremony was read.

Promptly at the hour appointed the couple, unattended, to the strains of the wedding march played by Miss Opal Williams of Vernon, entered the church, which was filled to capacity

by their friends. They were preceded by Little Miss Oliver of Tolbert as flower girl who scattered rose petals in the path of the bridal couple. The bride was becomingly attired in a blue canton crepe with hat and gloves and carried an arm bouquet of bride's roses.

After the ceremony Mr. and Mrs. Marsh remained for the sermon. They left yesterday morning for Bowie, Fort Worth and will visit in Oklahoma before returning.

The bride taught music in the public schools of Odell last year and is the daughter of Mr. and Mrs. J. O. Castleberry of Farmers Valley. Her many friends of Odell were delighted that she has come to make her home among them. Mr. Marsh is cashier of the bank at Odell and is rated as one of Odell's best business men. They will be at home after September 15 to their many friends in Odell.

#### Entertains Avalon Bridge Club

Mrs. Avey White was hostess to the Avalon Bridge club Saturday morning at 9:30 at her home here. Four tables of bridge were played and a plate luncheon was served to the members and other guests.

Guests other than club members were: Mesdames R. B. Gibson, E. C. Christian, R. E. Martin, E. M. Haney, J. A. Randall and Miss Johnny Malloy.

#### Young Gilmore

Miss Mildred Young became the bride of Dr. O. T. Gilmore of Conway, Ark., last night at 8 o'clock at her home on West Paradise street.

To the strains of the wedding march played by Miss Enid McCarroll, the couple unattended, entered the reception hall where Dr. C. A. Waterfield pastor of the Methodist church here, in the presence of a few close friends, and relatives of the bride performed the beautiful double ring ceremony. The bride wore a handsome going away gown of dark brown velvet, trimmings of caracule fur and accessories to harmonize. After the ceremony other friends arrived for the reception where congratulations and best wishes were extended.

The date of the wedding had been fixed for August 30, but was moved up on account of the departure of Dr. Waterfield for Colorado Springs this morning.

Mrs. Gilmore is a daughter of Mr. and Mrs. J. H. E. Young of this city and has lived here all through her girlhood. She is a very talented and charming young woman, a graduate of Vernon high school and two years ago studied voice at the conservatory of New York City. Last year she attended Southern Methodist University at Dallas and while there met Rev. Gilmore, who was doing post graduate work. While at the S. M. U. Mrs. Gilmore was a member of exclusive Cappa Delta sorority sang in the University choral club and was prominent in the work of the Y. W. C. A. She has been prominent in church work here and through her lovely voice has contributed much to the advancement of music in Vernon. She is a member of the Musicians club of this city and it is with regret her friends see this

talented musician leave the city.

Dr. Gilmore is a graduate of Hodge college of Arkansas where he received his A. B. degree. Two years were spent in S. M. U. where he received his D. D. degree. While there he was a member of Lambda-Chi-Alpha fraternity, president of the Y. M. C. A. and a member of the football team and athletic club.

Dr. and Mrs. Gilmore will leave tomorrow morning over the Frisco, for Conway, Ark., where they will visit for a short while with his relatives. They will then spend a few days in the mountains of Virginia and from there will go to Charlottesville, Va., where he is pastor of the University of Virginia.

#### Illerest Calendar

Hillcrest calendar for September is as follows:

Friday, September 1, dance, Mr. and Mrs. Harry Colley and Mr. and Mrs. S. P. Ingram.

Monday, September 4, Labor Day picnic and barbecue, Mr. and Mrs. E. Rhoads, Mr. and Mrs. A. M. Bourland and Mr. and Mrs. Lon Byars.

Tuesday, September 12, swim and breakfast, Mr. and Mrs. Cy Long, Mr. and Mrs. S. A. White.

Friday, September 22, dance, Mr. and Mrs. R. H. Coffee and Mr. and Mrs. Hub Colley.

Friday evening, September 29, Forty-two dinner, Mr. and Mrs. G. W. Backus, Mr. and Mrs. O. A. Swinburn, Mrs. J. A. Lucky and Mrs. G. E. Blackburn.

#### Presbyterian Picnic

The Presbyterian church will give an old-fashioned basket picnic at Al lingham park Wednesday afternoon at from 6 to 9 o'clock.

Every member of the church and all who worship there or go to the Sunday school and visiting Presbyterians are cordially invited and requested to come, whether members or not. Plenty to eat, plenty of fun. Please bring all the children and let's all come and have a good social hour together. Every Presbyterian is expected to do his duty—at the table.

## AMERICAN ★ LEGION

Ships, pullman cars, tents, and army supply base building, private homes and hotels will house the thousands of delegates and visitors expected at the American Legion national convention in New Orleans October 16-20.

A preliminary canvass by the convention hotels and housing committee has demonstrated the fact that New Orleans will be able to house 150,000 guests.

Passenger liners will be docked and former "gobs" and marines will be allotted first cabin accommodations on them.

A Pullman city of hundreds of cars, to be established in three large railroad yards, will care for 14,000 visitors, the convention committee has announced. The "hotels on wheels" will be provided with all the conveniences of a modern hostelry. Dining car service will be maintained, shower bath will be erected and all equipment will be electrically lighted while parked.

The railroads have established a

charge of \$12 for parking in addition to the \$54 for daily Pullman car rental. The average cost to the Pullman guest will be about \$2 a day.

If the size of the convention warrants it tents will be erected on the parkets of some of the more centrally located boulevards. A model barracks, patterned after those of campment days, will be established in the Army Supply Base, a fifteen million dollar structure on the river front. Private homes will be thrown open to the veteran who brings his wife in the convention.

New Orleans hotel men have agreed upon a uniform rate schedule of \$1.50 a day without bath and \$2.50 with bath. Charges in the tent cities and improvised hotels will be from fifty to seventy-five cents a day and the cost in private homes will compare favorably with the hotel rates.

All reservations for rooms during the five days of the convention must be made through the Legion department.

## EDITORIAL

## —CIVIC PATRIOTISM—

IT IS THE DUTY OF EVERY LOYAL VERNON CITIZEN TO KEEP HOT THE TRAILS OF HOME PATRIOTISM.

A community's growth and permanent progress is measured principally by the scope of its commercial activity. By ITS ABILITY TO SUPPLY A MEANS OF LIVELIHOOD FOR THOSE WHO REQUEST IT. This situation rests entirely in the hands of we Vernon citizens and not only becomes a civic duty BUT A PATRIOTIC DUTY.

WE VERNON FOLKS SHOULD BE KNOWN ALL OVER THIS SECTION AS BIG-HEARTED, HARD-HITTING, CIVIC BOOSTERS. And we want you to apply this splendid quality to a feature of our community life and on a 100 per cent basis. THIS IS TO TRADE AT HOME.

Pulling dollars out of a community is another form of pulling out the very props that serve as its foundation.

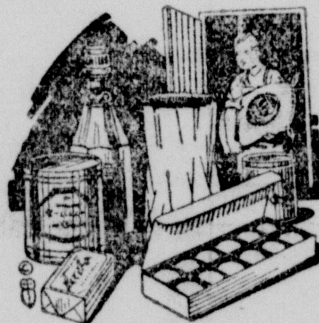

Patronizing the business men of other localities and living in Vernon is straddling the fence that divides the splendid force which you could otherwise be lending to our city's progress. This might be plain talk, BUT IT IS ALSO PLAIN FACTS.

The merchandise, prices and service offered the Vernon purchasing public preclude any excuses that might be offered for trading outside our own city. THERE IS NOTHING TO JUSTIFY SUCH ACTION AND STILL WANT TO BE KNOWN AS A LOYAL VERNON BOOSTER.

The furniture stocks of our city, the clothing, drugs, hardware, bakery, auto, shoe, jewelry, building supply, household, millinery, photo, electrical, plumbing, tailoring, and in fact, almost every class of merchandise or service to be found elsewhere, is here in such degree and sufficiency as to make Vernon a trading center able to supply your every want and AT MONEY-SAVING FIGURES.

Realize the truth of this statement, and resolve to be a 100 per cent Loyal VERNON Citizen by being 100 PER CENT LOYAL TO ITS COMMERCIAL, PROFESSIONAL AND MANUFACTURING INTERESTS.

This means PROSPERITY, Civic Advancement and hitting the line that helps to retard our civic progress—AND HITTING IT HARD.

A SUGGESTED PROGRAM FOR  
WILBARGER COUNTY

- 1.—THE LEE HIGHWAY.
- 2.—THE BEST EQUIPPED AND  
MOST BEAUTIFUL CAMP GROUND  
IN WEST TEXAS.
- 3.—COUNTY-CITY AUDITORIUM.
- 4.—PUREBRED LIVE STOCK ON  
EVERY FARM.
- 5.—\$2,000,000 ANNUAL POULTRY  
CROP.
- 6.—ANNUAL COUNTY FAIR.
- 7.—A SYSTEMATIC DEVELOP-  
MENT OF TREES ACROSS THE  
COUNTY ON BOTH SIDES OF THE  
COLORADO-TO-GULF HIGHWAY.
- 8.—VERNON HAS THE CLIMATE  
AND THE SOIL. EVERY PROP-  
ERTY OWNER SHOULD TAKE AD-  
VANTAGE OF THIS FACT BY SET-  
TING OUT TREES IN THE RESI-  
DENTIAL SECTION. VERNON  
CAN BE MADE THE MOST BEAU-  
TIFUL CITY IN TEXAS.

Vacation days for Odell boys and  
girls will soon be over for school  
starts there on next Monday. O. G.  
Lauder, new superintendent, will be in  
charge of the schools there this year.

The News is authority for the state-  
ment that Chillicothe is furnishing  
both Quanah and Childress with wa-  
ter and as soon as a new well is com-  
pleted the water department there will  
be in position to make daily shipments  
to Amarillo.

Knox county citizens are lending en-  
couragement in every possible way to  
hog growers. Last week a delegation  
of fifteen or twenty of the business  
men from Gore and Munday toured  
the county visiting all farms where  
registered hogs are being grown. It  
was found that many of the Knox  
county farms are being stocked with  
registered hogs. A livestock asso-  
ciation will be formed.

## A LESSON FROM VERNON

Wilbarger county is going to have a  
get-together barbecue and picnic at  
Vernon today. There will be no po-  
litical speaking at the picnic and the  
avowed purpose is to bring the people  
of the county together in friendly  
meeting where all differences will be  
forgotten for the time being at least,  
and they can commune as friends and  
neighbors, all pulling for the common  
good.

Every city and county in Texas, and  
for that matter over the entire nation,  
should have at least one such picnic  
as Wilbarger county is going to hold  
once each year. It will be one of the  
greatest influences for good that can  
be imagined. It will remind the peo-  
ple that they are here on earth to live  
as friends and neighbors and that  
though they may have different ideas  
on political and other questions, that  
when it comes down to bed-rock they  
are all serving one God and one coun-  
try.

Perhaps no year in the political history  
of the country has wrought so much  
bitterness as has the year now pass-  
ing. Friend has been turned  
against friend and brother against brother  
in many cases and over nothing  
more than differences of opinion. That  
the people of Wilbarger county have  
seen fit to get together and be friends  
and forgetting their differences,  
shows that the people of Wilbarger  
county are far-sighted and strong in  
their desire to do the right thing. Peo-  
ple like that never go far wrong.

Coming together as brothers as they  
are going to do in Wilbarger county  
brings to mind those times in bible  
history when the good people gathered  
for feasting and praising their God  
for the blessings given them.—Wich-  
ita Falls Record-News.

Tears of joy were shed by members  
of miners' families when the "work"  
whistle sounded at West Frankfort, Ill.  
for it meant that daddy was going  
back to work.

With the announcement that rail-  
road executives and shop craftsmen  
cannot reach an agreement for ending  
the railroad strike comes the an-  
nouncement that the war-time scale of  
wages will be asked by the main-  
tenance of way men.

That alfalfa will mature without  
rain has been demonstrated by John  
Ray, Ford county farmer, who has  
just completed the task of putting up  
ninety-two bales of first class alfalfa  
off a 5-acre tract on which no rain  
has fallen since a subsequent cutting.

With a classification of a seven per  
cent road all the way from Red river  
to Clovis, Vernon is now in position  
to ask the board of directors of Lee  
Highway to make designation of the  
highway over the cut-off route, which  
is shorter, better road and gives ser-  
vice to more people.

The business men of Plainview and  
a number of the lower plains towns  
are staging regular monthly trades  
day programs which attract large  
crowds. Plainview will hold her next  
big event of this kind on Monday. The  
chamber of commerce of that city is  
looking after the all important matter  
of improving the roads to and from  
Plainview so the farmers for miles  
around may bring their produce to  
market and buy their supplies. Trade  
extension work is all important and  
Plainview is making the most of it.

**KANRED WHEAT  
GIVES BEST YIELD**M. B. OATES, AGRICULTURAL  
AGENT FOR DENVER, SUBMITS  
YIELD REPORT.

Kanred wheat beats other varieties  
in almost every instance, according to  
M. B. Oates, agricultural agent for the  
Denver railroad. Its showing is so  
remarkable that it has not been pos-  
sible to find a single instance where  
Kanred has dropped in yield below  
other varieties when the conditions  
were equal. Reports continue to  
come in which prove the superiority  
of Kanred.

Following are the latest reports on  
yields of Kan red wheat:  
Bob Machen, Red Springs, Baylor  
county made 20 bushels to the acre on  
his Kanred wheat which tested 61. His  
Turkey Red made 14 bushels and test-  
ed 60.

Walter Siddons, Seymour, made 17  
bushels per acre on Kanred and 11  
bushels per acre on Turkey Red.

J. M. King, Oklamoon, had Kan-  
red wheat and soft wheat and both  
made the same yield, yield being only  
4 bushels per acre. He states that  
his Kanred wheat was on thin land  
and came up in January. It was all  
sowed late.

W. A. Atkins, Medicine Mound,  
made 17 bushels per acre on Kanred  
which tested 60 and 12 bushels per ac-  
re on soft wheat which tested 57. He  
says, "I will sow 200 acres this fall  
all Kanred. It is the best wheat I  
ever sowed."

A. Moseley, Quanah, made 10 bush-  
els per acre on Kanred, testing 59.  
This was the yield of 20 acres. He also  
had 500 acres of Mediterranean  
which was too poor to cut.

J. F. Newberry, Childress, had Kan-  
red wheat that made 14 bushels and  
Miracle wheat which made only 3 and  
9-10 bushels.

Frank Bishop, Claude, made 20 bush-  
els per acre where he had Kanred and  
4-1/2 with mixed Turkey red.

C. J. Brummett, Claude, made 8  
bushels per acre with Kanred which  
tested 60 but he did not have any other  
variety.

Pete Lang, Amarillo, had Kanred  
and Turkey Red which both made a  
yield of 8 bushels per acre.

## THREE LITTLE PLANTS

One day last spring one of our neigh-  
bors gave us three little plants. At  
came from the same garden on the  
same day and were the same kind of  
plants. We planted one by the side  
of the road, where it got just what  
nature happened to give it. Another  
was planted on the shady side of  
the house. The third one was plant-  
ed in the center of the backyard,  
where the waste water from the kit-  
chen sink could reach it every day.  
And now it is time for maturity and  
what's the result?

The flower by the house got too  
much water and not enough sunshine.  
It rained so much the first month that  
it was almost drowned out. Then the  
dry weather came and the flower  
just stood there barely alive all sum-  
mer. Today it is a dwarfed, flower-  
less stem. No beauty, no pleasure to  
anybody, but it has had the same time  
and the same work spent upon it. The  
flower by the road has had all sum-  
mer, but it did not get enough rain  
to balance the sunshine and it is dried  
up and almost dead just when it  
should be living in all its glory. The  
flower in the back yard that was fed  
by the waste water from the kitchen  
every day, received the same number  
of sunbeams as the one by the road,  
but it is a thing of beauty. It is  
literally loaded with perfect blooms.  
It is fulfilling its complete mission  
in this world, giving beauty to every-  
one it meets and sending its fragrance  
out into the whole yard. It is a joy  
to the whole family.

Why the difference? Simply this.  
The flower by the house had too much  
water and not enough sunshine to  
fulfill its mission in life. The one  
by the road had enough sunshine, but  
not enough rain to balance the grow-  
ing possibilities of its life. The third  
flower grew perfectly by utilizing the  
waste water. It did more. It pre-  
vented an ugly, unsanitary place in  
the yard by absorbing the waste wa-  
ter. And now instead of an empty,  
ugly, unhealthy puddle of stagnant wa-  
ter, all through these long, lonesome,  
cloudy, frosty, autumn days there is  
something beautiful to look at through  
our kitchen window as we wash dis-  
es three times a day.

Yesterday we talked about juvenile  
crime. Can you see any analogy be-  
tween the story of the three plants  
and juvenile crime? What is the re-  
sult when a child has too much of one  
thing no matter how essential that  
one thing is to its life, and not enough  
of another? What is the result when

a child's life is tossed by fate to the  
side of the great broad road of man-  
kind to live and grow by chance with  
no one to care for it; with no one to  
see that the needs of its life are bal-  
anced; with no one to provide a way  
for it to have enough of one thing  
to keep the other part of its nature  
growing? But it is the fate of the  
third plant that we would have you  
think about most. What saved it?  
What brought its life to perfect ma-  
turity? What enabled it to fulfill its  
mission in this world? Was it not  
what otherwise would have been wast-  
ed?

Why have we so many dwarfed and  
fruitless lives in the world today?  
Why are there so many unhappy, mis-  
erable and withered men and women  
dragging through life without a ray of  
hope or joy in their lives just when  
they should be enjoying the glory of  
a beautiful, fruitful life? And why  
have we so many juvenile criminals  
in our land at this hour? Is it not  
because some have had too much joy  
and money and pleasure in their lives  
and others have not had enough? And  
do you not think if the time and money  
that is being wasted in America to-  
day could be utilized to provide the  
kind of schools and pleasure and en-  
vironment necessary to a balanced life  
for all the children that we would not  
only save and bring to a successful  
maturity millions of lives in the fu-  
ture, but by using the waste money  
and time for those who need it we  
would also save the lives of those that  
are being wrecked by waste?

But it is not alone money and time  
that is needed. The other day a tea-  
cher said to a motherless boy, "Son, I  
am proud of your work this year."  
The answer was, "You are first man  
that ever said that to me." The sun-  
shine of the soul is a kind word once  
in a while. And the moisture that  
makes a boy's life grow is a teardrop  
of sympathy now and then when his  
heart is cold and hungry. If we  
would give a little bit of love to the  
boys and girls that we are wasting  
on our own selfish selves it might fill

a deep vacuum in their lives, start  
their hopes to growing and save us  
from some tragedy. Why, a lot of  
folks give more love to dogs than to  
boys. What kind of a world would

this be if all our waste were utilized  
to make better boys and girls?

As we see it, business should be played with the same fine

## WILBARGER COUNTY NEWS

## WHITE CITY

By Special Correspondent.

White City, Aug. 25.—The continued dry weather is damaging crops considerably in this vicinity. The hot weather is causing the cotton to open rapidly and some farmers will begin picking soon. Most everyone is heading maize and gathering corn at present.

Most every family has been enjoying intermeddles and cantaloupes, the past few weeks. Those who didn't raise any have been enjoying those grown by their more fortunate neighbors. Some have been marketing them in the nearby towns. The dry weather will cause almost a complete failure of the late melon crop.

Seymour Dunson is improving though still seriously ill with typhoid fever. His sister, Mrs. H. B. Adkins of near Harrold is with him yet.

Mrs. L. A. Anderson was removed from a sanitarium in Vernon to her home near White City last week. She is seriously ill at present and is too weak for an operation which will be necessary for her recovery.

S. E. Floyd and family and Mr. and Mrs. Lee Coffey returned Saturday from a pleasant fishing trip to Beaver Creek.

Pierce Box, J. M. Knapp and M. M. Dunson were in Vernon on business Tuesday.

Mrs. D. D. Kemp and daughter, Miss Eldis of Forney, Kaufman county, arrived Friday for a visit with her sister and family. Rev. and Mrs. W. W. Adams, also to be with her niece, Mrs. L. A. Anderson who is seriously ill.

J. H. and C. L. Adams were in Farmers Valley Sunday.

The White City Baptist Sunday school is progressing nicely. Every one is invited to attend each Sunday at 10 o'clock, a. m.

Mr. and Mrs. J. N. Nance and children of Electra visited her brother and family. Mr. and Mrs. L. A. Anderson Sunday afternoon, returning home Sunday night.

Ray McDaniel of Fargo visited his uncle, Drew McDaniels, in this community Monday.

Grady Stowe has purchased a new Ford coupe.

Rev. W. W. Adams and L. A. Anderson were in Vernon on business Wednesday.

M. L. McDaniels has returned from an extended visit with relatives in Sulphur and Durant, Okla., but will leave soon for a visit with a daughter in South Texas. Mr. McDaniel and son, Drew, are considering moving to Sulphur Springs to make their home.

The new six room bungalow being erected by R. A. January to replace his residence destroyed by fire recently is nearing completion, and will soon be ready for occupancy by the family.

Mrs. M. M. Dunson was called to Vernon Saturday to be with her brother, Jewel Richardson who was seriously ill with appendicitis, but he submitted to an operation and was better Monday. Mrs. Dunson returned home Monday.

Mr. and Mrs. Lee Armstrong and daughters, Ruth and Dorris and Mrs. Chas. Igon of Doans, visited Mrs. Armstrong's parents, Rev. and Mrs. W. W. Adams Thursday afternoon. Mrs. D. D. Kemp and daughter, Miss Eldis, returned home with them for a few days' visit.

Mr. McRaghten and children were visitors at Fargo Thursday.

Mr. and Mrs. J. H. Adams and children of Pleasant Valley visited relatives at White City Thursday.

## BARBECUE FEAST ATTRACTS 8,000 COUNTY CITIZENS

Alarmists Put to Rout When Citizenship of Wilbarger Gather About Festal Board to Pledge Friendships—Speakers Urge Co-operation for a Greater Wilbarger Development.

City and precinct limits were wiped out Friday when 8,000 enthusiastic Wilbarger citizens gathered at Fair Park in Vernon to commune as neighbors and friends, all differences forgotten, for the common good of the entire citizenship and for the general up building and development of the county as a whole. It was a sort of "love feast" in which citizens of town and county rubbed elbows and renewed the friendships of long years standing. The meeting had no political purpose, the object being to bring the people together in a friendly gathering for a consideration of community activities. Local speakers emphasized that town and country are linked by inseparable ties and that one will profit in proportion to the prosperity of the other. By common consent the alarmist was given a knock-out blow for Wilbarger is prosperous.

The gathering was attended by citizens from all parts of the county. The estimate of the crowd was procured through a count of the automobiles that passed through the park gates. It being alleged that more than 3,000 cars entered the enclosure. Each and every participant entered into the enthusiasm of the occasion and the slogan a "greater development for Wilbarger county," was exemplified in many different ways. A smile and a hearty handshake characterized the friendly greeting and the gay and happy throng mingled and mingled in the happy association of an old time barbeque and picnic.

Vernon's contribution to the gathering included twenty-one big and fat beefsteaks, 1600 pounds of fresh bread, 500 gallons of coffee and an abundance of ice water. Many of those who came brought along baskets of good things which when supplemented by large portions of the barbecued beef, provided a feast that was ample to divert attention from the hurtful campaigns of personal abuse that have threatened to turn friend against friend. The beefsteaks were barbecued over long pits dug beside the shady grove and long tables erected beneath the shade provided ample eating places for many while others found seats in their cars.

**Visitors Made Welcome**  
The visiting throng was made welcome by Mayor Harry Mason, who stressed the point that it was a county gathering held in Vernon for convenience. Lon Byars, as master of ceremonies, stated the purpose of the gathering and urged those present to forget political differences and devote this one day to a consideration of this wonderful country in which we live and how it may be made even a better place in which to live. Andy Boudland touched upon the subject of community co-operation and the need for union of purpose. Dick Coffey as manager of the Wilbarger fair called attention to the splendid program that is being arranged and urged farmers throughout the county to enter their products in the various exhibits. L. G. Hawkins talked on the "Ties that Bind" featuring the needful co-operation between town and country in putting over the projects really worth while.

Dinner was served cafeteria style promptly at 12 o'clock. The steaming hot barbecue was carved and dished into picnic plates and placed before the waiting throng who helped themselves to as many plates as there were people in their party. The service continued until every one had been served and there was plenty for all.

In the afternoon a ball game between East Vernon and a picked team from Harrold and Oklaunion provided amusement for that portion of the east crowd which did not find its way to the business section of the city. Stores were closed from 11 o'clock until two and business men and clerks mixed and mingled with their customers and friends on the picnic grounds.

The success of the gathering is due perhaps to the untiring efforts of Lon Byars and E. W. Hampton of the committee on arrangements. These gentlemen gave their whole time to the preparations for the big event for several days. Aided by the finance committees they had made ample provisions for such a large crowd.

## STATE INSPECTOR COMMENDS VERNON PROVISION STORES

After Thorough Inspection Only Suggestion is that Eggs be Canned—Pays Tribute to Merchants Who Gave Every Co-operation in Making Inspection—Stores are Clean.

M. Piersop, state inspector of food supplies, has visited Vernon and made an official inspection of the various food supply houses with the result that he voluntarily commends the business men for the cleanliness of their places. The inspector made but one suggestion to the reference to betterment of the local situation and that was handling of eggs. To the Record representative he made the following statement:

"As state inspector, I have not found any places where the business men gave better co-operation than here at Vernon. The state sends its inspectors out to improve conditions surrounding food handling and if their recommendations are followed it acts not only for benefit of public health but tends to improve the business of the business man. A clean place and pure food, well protected from contamination, is a standing advertisement."

"I wish to pass a word of caution in regard to handling of eggs. Every bad egg sold is a knock on the business even though you make it good. People always want to know they are buying good fresh food stuffs and to know this, eggs should be candled from the farmer to the consumer. No honest producer should object to their eggs being candled and the bad ones destroyed. Eggs with blood rings or black spots are not fit for human consumption. Other spoiled food stuffs are usually visible when bought but bad eggs are visible only through the eye of a candler. Let's improve the egg situation here. These things are for the benefit of the people here in Vernon and not those at Austin."

"I wish to thank the city officers and the business men for their co-operation."

**Crowell Couple Married**  
Hardin Russel of Margaret and Miss Leta Burk of Crowell were married Saturday afternoon at 4 o'clock by Dr. C. A. Waterfield of the Methodist church at his home on W. Pease street. Lee Bradford of Margaret and Mrs. P. D. Chaney and little son, P. D., Jr., witnessed the marriage. Mrs. Chaney is a cousin of Mr. Russel.

By this marriage, two prominent families of Ford county are united. Mr. Russel is a son of J. F. Russel, well known farmer of Margaret community. The bride is the daughter of Judge and Mrs. G. L. Burk of Crowell and both are pioneer residents of Ford county. The bride has been a teacher in the schools of Ford county for several terms. They are now in Graham visiting relatives and will be at home on their farm near Margaret after September 1.

**Another Car Lumber Arrives**  
County commissioners have received another car of flooring to be used in the repair of the lower bridge on Pease river. Another car load to be used at the same bridge is reported as lost in transit. Work is progressing nicely on the upper bridge on the Colorado-to-gulf highway across the same stream and this bridge will be completed before they commence work again on the lower structure. All materials for both bridges will be on the ground when the lost car arrives.

**Notice Precinct Chairmen**  
The County Democratic Executive Committee is called to meet in the district court room Saturday, September 2nd, 1922 at 10 a. m., to canvass the returns of primary election held on August 26th, 1922, and to transact any other such business that may regularly come before it.

This committee is composed of precinct chairmen elected by precinct conventions on August 26th, 1922.

J. O. ROUSE, Chairman.  
NEELY B. HODGE, Sec.

**Fargo Club to Meet**  
The Fargo Home and School club will meet with Mrs. J. S. Cartwright Friday afternoon at three o'clock. The subject will be laundry, making of soap and removal of stains. The leaders will be Mrs. L. E. Packer, Mrs. R. B. Richardson, Mrs. R. E. Harrell and Mrs. F. M. Sweatmon.

## SAYS SECRETARY'S SON IS POOR PROVIDER

Mrs. Muriel R. Shaw, whose young husband, Earl R. Shaw, son of Leslie M. Shaw, former Secretary of the Interior has filed suit for divorce at Santa Rosa, Cal., declared she loves her husband dearly and would resist his divorce suit. "My husband," she added "never bought me as much as a pair of shoestings with his own money. His father gave him money from time to time, and it was on this money that we lived." They were married in Baltimore in 1913.

## CHILD FALLS UNDER AUTOMOBILE WHEELS

ROBERT TURNER, AGE 7, RUN  
DOWN AND PAINFULLY  
INJURED.

Robert Turner, 7, son of Mr. and Mrs. R. S. Turner of S. Wood street, was badly injured Saturday afternoon when he fell under the wheels of an automobile driven by Miss Lucie Bonner. The accident occurred on E. Texas street, near the Bird hotel about 4 o'clock Saturday afternoon as people were rushing to a fire in that part of the city. Several little boys were playing together in the street and it is thought that the little fellow became confused as they scampered to safety and turned back in front of the car thinking he would cross the street again. The car was being driven at a moderate rate of speed but one of the fenders caught the lad by his clothing throwing him under the car and the two front wheels of the automobile passed over the boy. Miss Bonner stopped the car within six feet of where the accident occurred. The little boy was rushed to a hospital and on examination no broken bones were found, but he was suffering from internal injuries. He is recovering and is pronounced out of danger by the attending physicians. Miss Bonner, who collapsed after the accident is recovering. She was accompanied by Christine Gregory and Allie Randall, who assisted in removing Miss Bonner to her home.

**Return from Las Vegas**  
Rev. and Mrs. L. J. Minis, Rev. and Mrs. L. A. Foster and Miss Boudah Nowlin and W. N. Stokes and R. L. Freeman returned Saturday from a ten days' outing in the White mountains of New Mexico. They report a splendid time.

## COMPANY L MEN HOME ON FURLOUGH

FOUR MEMBERS LOCAL COMPANY  
ARRIVED FRIDAY TO LOOK  
AFTER CROPS.

Four members of Company L, Texas National Guard, arrived from Denison on temporary leave of absence to look after their crops. The men are Jake Rowland, Claude Gordon, Enchid Andrews and Lawrence Hahn. A total of twenty-eight men out of the battalion obtained leave of absence last week for similar purposes, but only sixteen of that number got off at Vernon. The other twelve getting off here went to Crowell.

In discussing the guard work at Denison, Lieutenant Russell said there was a shortage of men in the battalion due to the fact that trials start at Sherman this week and large detachments of M. P.'s will be stationed there. The trials of parties arrested under the "open port" law will be given military trials. It is said that arrests will average about ten each day.

Sergeant W. C. Albright is jailer at Denison. He has the jail pretty well filled up according to reports. Sergeant Roy Stephens is expected home on account of the illness of his wife.

## DR. WATERFIELD TRANSFERRED TO COLORADO CHURCH

Change Made at Pastor's Request Because of Health of Mrs. Waterfield—Leaving Today for Colorado Springs—Rev. Dickerson, Six Years Pastor There, Comes to Vernon.

Rev. C. A. Waterfield, pastor of the Methodist church here has resigned his pastorate and accompanied by his family, are leaving for Colorado Springs, Colo. Dr. Waterfield attended the conference held at Trinidad, Colo. recently and was assigned to the Methodist church of Colorado Springs. Rev. Dickerson, who has been in charge of the church there for six years is coming here and will arrive Friday to take up his duties.

The change was made because of illness of Mrs. Waterfield and it is thought that the move will benefit her health.

Dr. Waterfield with his family came to Vernon in November of last year from Nashville, Tenn., and under his leadership the church has prospered greatly. His going is deplored by the membership of the church as well as other friends who wish for him continued success in his new field of endeavor and that the health of his wife may be restored.

## VERNON EVANGELIST TO CONDUCT REVIVAL

Rev. Foy E. Wallace of Vernon, noted evangelist, will begin a revival meeting at the Plainview Church of Christ at the city auditorium on September 3rd. This is the annual protracted meeting of the Church of Christ.

Tillet S. Teddlie, also of Vernon, will be in charge of the song service. He is an able singer. He will be assisted by Rev. O. M. Reynolds, pastor of the local church.

The greatest amount of publicity possible is being given this meeting by the local members of the church. Large window cards have been placed in the show windows of the city, and yesterday R. M. Peace, accompanied by one other member, made a tour of the entire section, including Lockney, Floydada, Lorenzo, Falls and Crosbyton. Matador and Silverton, placing window cards and leaving hand bills. On every mile post which the church has had erected will be placed a similar advertisement. A large attendance from Lockney and from Lubbock, where there are good congregations of the Church of Christ, is expected at this meeting—Plainview Herald.

## DEMOLAY CHAPTER TO BE INSTITUTED SATURDAY

E. M. Haney, who is mustering candidates for the institution of a DeMolay chapter in Vernon, is in receipt of information to the effect that members of the Wichita Falls chapter will visit Vernon on Saturday of this week for the purpose of instituting the local chapter. The delegations will arrive early in the afternoon but the institution of the chapter will not take place until about 6 o'clock.

Approximately thirty young men, sons of Vernon Masons and their friends, compose the charter members of the local chapter. They are looking forward with much delight to coming ceremonies.

## Miss Mary Catherine Massie Is Home

Miss Mary Catherine Massie, who has been in Rochester, Minn., for six months, returned home Sunday, accompanied by her aunt, Miss Grace Massie of Roswell, N. M. Miss Massie is much improved in health after her long illness. Miss Grace Massie has returned to her home in Roswell and will be joined later by Miss Mary Catherine who expects to spend the winter there.

## Small Blaze Saturday Afternoon

The home of Mrs. Josie Jordan in East Vernon caught fire Saturday afternoon about 4 o'clock but was quickly extinguished by the fire company who made a hurried run to the scene. The blaze was caused by wall paper back of an oil stove becoming ignited. The damage was slight.

## Music Class at Medicine Park

Mrs. W. H. Huggins, accompanied by older pupils of her music class are in Medicine Park this week for an outing.

## WANTS \$100,000 FOR HER LOST LOVE

Miss Edith Ransom, beautiful Richmond (Va.) girl, has filed suit in New York against John B. Woodward, wealthy newspaper stockholder, for \$100,000, asserting he broke his promise to marry her. Woodward denies it. Miss Ransom alleges that after a two-year courtship Woodward told her to marry another man, or else go to Chicago where living was cheaper.

## LABOR DAY SHOOT WILL BRING CROWD

VERNON SHOOTERS WILL ENTERTAIN FRIENDS FROM SURROUNDING TOWNS.

The annual shoot by the Vernon gun club will be held Monday, September 4 at Fair park. This Labor Day event promises to be a big occasion for shooters from Quanah, Wichita Falls, Mangum and Childress will be here to participate. The shooting will include 200 targets and will begin Monday morning at 10 o'clock.

Heretofore the annual shoots in Vernon have been largely attended and some high guns have been reported. It is confidently expected that the one to be held next week will rank with the best held in the county. Programs will be out soon giving classification of the contests and the prize awards to be made for the high guns.

The Labor Day event is expected to bring an unusually large crowd of shooters to Vernon and effort will be made to entertain them royally.

## Hollis Denies Charges

Chairman W. O. Hollis of the federated shoperaffs at Wichita Falls denies the charge made by Herbert Click, Vernon youth, that union men of Wichita Falls gave him a beating Thursday night because the youth was suspected of being a strike breaker. Hollis declared that Click was not carried to the labor temple and questioned.

## RUTH KOPP DIED VERY SUDDENLY

DAUGHTER OF REV. AND MRS.  
LEWIS P. KOPP PASSED  
AWAY SATURDAY.

Ruth Kopp, 14, daughter of Rev. and Mrs. Lewis P. Kopp, died suddenly Saturday evening at 8 o'clock at the home of the family. The little girl had been suffering all week from a throat affection but it was not thought that she was dangerously ill. She was gargling her throat when she called her mother and told her that she was choking. The mother guided the child out on the porch into the fresh air but she sank down and expired immediately.

Funeral services were held Sunday afternoon at the Central Christian church with Rev. E. L. More of the Presbyterian church officiating. Interment was made in East View cemetery.

Rev. Lewis P. Kopp came here as pastor of the Central Christian church from McAllen, Texas, less than a month ago.

Ruth is survived by her parents and a sister, Esther. Sorrowing friends are extended condolence to the bereaved family.

## CHURCH OF CHRIST REVIVAL GROWING IN INTEREST DAILY

Twenty-nine Additions to Church Have Resulted—Evangelist Foy E. Wallace Preached on "Preparing to Meet God" Sunday Night—Six Candidates for Baptism at Morning Service.

The revival meeting in progress at the Church of Christ with Evangelist Foy E. Wallace doing the preaching, is progressing with increased interest as the meeting goes over into the second week. Due to the fact that the evangelist and singer must open a meeting in Plainview on Sunday the meeting here will be closed during the latter part of the week. There have been twenty-nine additions to the church as a result of the services, six of the candidates for membership were baptized this morning. T. S. Teddlie is song leader and a large choir is rendering splendid music for each service.

The subject of the sermon for Sunday night was "Prepare to Meet God." In his discourse the evangelist showed that one must prepare to meet God in nature first and that should be that one can meet God in nature. It prepared but not everyone who looks into nature meets God. It takes preparation.

One may meet God in revelation because God is revealed in the Bible, but not every one who reads the Bible meets God. Tom Payne read the Bible but failed to meet God. Robert Ingalls was very familiar with the Bible but the influence of his own life testifies that he failed to meet God in it.

One can meet God in worship if prepared. Jesus said they that worship God must worship in spirit and in truth. In order to meet God in worship it must be spiritual worship and according to the divine truth. Both elements are necessary.

In order to meet God at the judgment one must prepare while living in the world. Illustrations were given using the parable of the wedding feast. When the king came he saw a man without the wedding garment and he said, "why comest thou here without the wedding garment?" and the man stood speechless. In order to be prepared for the judgment one must put on the wedding garment and the wedding garment is Christ.

Quoting from Gal. 3: 27 the speaker read, "For as many of you as have been baptized into Christ have put on Christ."

The exhortations for the evening were to get men prepared for the judgment.

## JOINT ENCAMPMENT IS ATTENDED BY MANY

The joint encampment held by Home Economic clubs of Wilbarger and Baylor counties on Beaver creek last Friday and Saturday was well attended according to Miss Goodfellow, home demonstration agent, and much good will came of it. Some of the ladies brought their husbands along as a safety first measure and they proved quite handy about the place. The afternoon of Friday was spent in a very enjoyable and instructive program with Miss Edwards of A. & M. College and Mrs. Phoebe K. Warner of Claude as the principal talkers. These well informed ladies gave the empress the benefit of their experience in home economics and talked on home conveniences.

Mrs. Warner, well known writer, admonished the good women of the county clubs to make it a point to take two days off for the encampment each year. She declared that most women felt that it was impossible to do this but that it would be worth their while to meet other women and talk over home problems. Miss Edwards was also an interesting talker.

## Blaze Does Slight Damage

A house belonging to Mrs. Caldwell and occupied by W. C. Harris, on Olive street, was slightly damaged by fire Monday morning when a defective flue caused a blaze to start in the ceiling. Parties close to the scene climbed upon the roof and extinguished the blaze by the time the fire department arrived. A small hole was burned in the roof.

## Hillcrest Dance Friday

Mr. and Mrs. S. P. Ingram and Mr. and Mrs. H. O. Colley are hosts and hostesses for a dance at Hillcrest Friday night. Music for the occasion will be furnished by local people and the affair will begin at 8:30. All members invited.

## BETTER LIVESTOCK PURPOSE OF PURE BRED ASSOCIATION

Rousing Meeting Held Here Monday When It Was Planned to make Exhibits at Fair as Unit—Trip to Dallas for Winner Grand Champion in Boy's Pig Club.

At a meeting of the Wilbarger County Pure Bred Live Stock Association, held yesterday afternoon in the district court room with W. T. Collins of Odell presiding, it was unanimously agreed by the members present to show their stock at the Wilbarger County Fair September 20 to 23 as a unit and also to give as a prize to stimulate interest in pure bred stock, a free trip to the Dallas fair to any member of the boys pig club who wins the grand championship honors in the pig class.

In their co-operative display of live stock they will have posters struck announcing the fact that they are members of this association and these will be placed on the pens where the animals are shown. A drive for membership will also be staged at that time it is announced.

Five free trips have been given to the girls clubs as prizes and with the one given yesterday to the boys' pig club makes the numbers even in each division; five boys and five girls will be sent said P. D. Chaney, county agent.

Plans for a bigger and better exhibit at the fair are being made by the association and they are going on record as preparing now for next year's exhibit. A pavilion will be built it is thought in which to house stock either at the fair grounds or near town, prizes will be given by this body for best animal in each class and a co-operative sale will be staged at the next annual fair.

Marvin Sharp is the newly elected secretary, taking the place of Jed Morrow, who has moved to Dallas. P. D. Chaney is assistant secretary.

Logan Creager, second vice president of the association, who is also president of the Wilbarger-Wichita Live Stock association, extended a pressing invitation to the members to be present at the banquet given by the chamber of commerce at Electric Friday night. At this affair prominent speakers from A. & M. and editor of the live stock paper at Plainview will address the meeting. A hog sale by Guyer Brothers of this county will be staged next day in Electric.

Prominent hog breeders are expected from all sections of the Panhandle for this meeting.

At this point the fact was stressed by the president, W. T. Collins that no suitable place could be found in Vernon from which to conduct the hog sales and that a place should be built at once for this purpose. Other members suggested that each one give a bred sow to be sold and the proceeds be turned over to a committee who would erect a pavilion from the funds derived. With the co-operation of the chamber of commerce and the merchants of Vernon, who it is stated, look favorably upon this proposition, it is thought that the project could be put over. The next meeting will be held the first Saturday in October. A committee consisting of Rex Boyd, Joe Collins, Marvin Sharp, Logan Creager and George Richardson with Marvin Sharp as chairman, are in charge of the fair arrangements.

The following members were present: W. T. Collins, Joe Collins, Mark Neal of Odell, Logan Creager, Charley Moore, Joe Moore, R. L. Moore of Oklaunion, Rex Boyd, C. B. Bourland of Harrold, and P. D. Chaney and George Richardson of Vernon.

## Mrs. Richie Very Ill

Mrs. C. A. Richie who was thought to be recovering from a month's illness was stricken with apoplexy late Saturday afternoon and is hovering between life and death at her home. On account of her advanced years no hope is given for her recovery. Her condition has remained practically unchanged since the hour she was taken so suddenly and alarmingly ill.

## Lost Roll of Bills

W. O. (Dumpy) Powell reports the loss of \$100 in bills and two checks, each drawn for \$12.50 at the picnic at Fair park Friday. He reported his loss to Manager Lon Byars and a diligent search was made in cleaning the grounds but no trace of the missing money could be found.

## FOURTEEN SCHOOLS HAVE TEACHERAGES

NEW STRUCTURES ARE BEING  
COMPLETED AT HINDS AND  
BOURLAND.

Teacherages are being built this week at Bourland Consolidated, east of Vernon and Hinds district, north of Pease river. Bourland's will be ready for occupancy by September 11; the date the full term opens. It is to be a four room bungalow with modern conveniences and will be lighted from the electric system which furnishes light for their handsome brick school house. Mr. and Mrs. T. E. Pierce and Miss Chastain are teachers employed for this term.

An old school building from West Hinds is being converted into a house for teachers at Hinds consolidated and when finished will have six rooms. This school is located on Mrs. Betty Muller's farm. W. E. Grimes is principal.

Twelve other school districts have teacherages ranging from two rooms to ten in number. They are Kinchee, with a three room teacherage, E. H. Tooley, principal; Deans, three rooms, W. D. Warren, principal; Hanev, two rooms, H. H. Nixon, principal; Randa, four room teacherage, Mrs. Nannie B. Clark, principal; Thompson, three rooms, Mrs. Sylvia Gowdger; Elliott, three rooms, F. H. Elam, principal; East Vernon, six room bungalow, A. B. Sturdevant, principal; Hauk Hill, three rooms, E. H. Owens, principal; Oklamion, four room bungalow, V. R. Glazener, supt.; Harrold, ten rooms, two story, R. S. Covey, superintendent.

The first teacherage was erected at Deans seven years ago. The principal of the school built this house assisted by his wife who carried the mortar and brick for the chimneys, and helped do all the carpenter work. At the close of his school term he sold the building to the trustees.

The most imposing teacherage is found at Harrold, a ten room, two story frame building with spacious living room, electric lights and other modern conveniences.

Time was that the teacher boarded round with the scholars, then a permanent boarding place was secured for them by strenuous effort, now they have a home at the very door of the school room where all the comforts of civilization are enjoyed.

The up-to-date Bourland consolidated with its brick building consisting of three rooms and an auditorium with Deleo lights and a four room teacherage is a far step from the old Dawson Valley school of 1881, the first school in the county. For this school and East View school joined together and Bourland consolidated was made.

Mrs. A. T. Roger of Vernon, was the first teacher in the county and received the munificent salary of fourteen dollars for two terms of three months each. A dugout 12x14 housed the first scholars and articles of furniture were a writing desk nailed against the side of the wall and some rude benches made of cottonwood logs. A fire place in the corner was the only other furnishing the room possessed. Later the school was moved to Mrs. Roger's home. Pupils who went to the first school, living in Vernon today, are Mrs. Cecil Story, A. C. Roger and Lon Byars.

Education being awakened in this little neighborhood it was decided to erect a more modern building. The lumber was hauled from Gainesville

by A. J. and Lon Byars and a room was built 20x24 in dimensions and boasted a shingled roof instead of the dirt roofs of its predecessors. It was afterwards moved to Mrs. Wheeler Lucidy's farm where it stands today.

Dawson Valley, out growing this building as a turtle does its shell, another school house was built on W. S. Bourland's farm and is now doing duty as a tenant house, giving way to the present brick structure on the B. H. Lewis farm, east of Vernon just a short distance off the Colorado to Gulf Highway.

### Leak Thanks Voters

Memphis, Texas, Aug. 28th, 1922  
The Vernon Record,  
Vernon, Texas.

Gentlemen:—  
I wish to express through the columns of your paper my most sincere thanks for the support accorded me in my recent campaign for the nomination for district judge of the 46th Judicial district. To say that I highly appreciated the vote given me on August 26 is modestly expressing my feelings of gratitude. I shall earnestly endeavor to show my true appreciation of your support by a fearless and impartial discharge of the duties of the high office to which you have nominated me, and sincerely hope that when my term of office has expired none of my many friends will regret honoring me with their suffrage in the recent primary, and with their part in elevating me to this most honorable position.

With kindest personal feelings to all,  
I am,  
Gratefully yours,  
JAMES V. LEAK.

### Greever Scott

A wedding of much interest to Electra and Vernon people occurred Thursday night at Electra when Miss Annie Greever became the bride of Carey Scott of that city. The ceremony was performed by Rev. Byron T. Hoster of the Christian church at his residence.

Miss Frances Greever, sister of the bride and William Hule of Electra were the only attendants.

Mr. and Mrs. Scott are here in Vernon as the guests of the bride's parents, Mr. and Mrs. H. K. Greever of S. Mesquite street.

Mrs. Scott was born here and with the exception of a few months in Wichita Falls has lived all her life in Vernon. She attended Holcomb's training school here, also the Wichita Falls high school and was a student in Kidd-Key College of Sherman.

She is a very charming and popular girl of the younger set.

Mr. Scott came to Electra two years ago from Stamford and until recently was employed as an oil scout by one of the large companies in the oil field. His parents live at Stamford.

They both have many friends who are extending congratulations and best wishes. They will reside in Lubbock.

### Pretty Church Wedding

The Baptist church at Odell was the scene of a beautiful wedding Sunday night at 8:15 when Miss Augusta Castleberry became the bride of Dewey Marsh, Rev. D. Pearson officiated and the impressive ring ceremony was read.

Promptly at the hour appointed the couple, unattended, to the strains of the wedding march played by Miss Opal Williams of Vernon, entered the church, which was filled to capacity

by their friends. They were preceded by little Miss Oliver of Tolbert as flower girl who scattered rose petals in the path of the bridal couple. The bride was becomingly attired in a blue canton crepe with hat and gloves and carried an arm bouquet of bride's roses.

After the ceremony Mr. and Mrs. Marsh remained for the sermon. They left yesterday morning for Bowie, Fort Worth and will visit in Oklahoma before returning.

The bride taught music in the public schools of Odell last year and is the daughter of Mr. and Mrs. J. O. Castleberry of Farmers Valley. Her many friends of Odell were delighted that she has come to make her home among them. Mr. Marsh is cashier of the bank at Odell and is rated as one of Odell's best business men. They will be at home after September 15 to their many friends in Odell.

### Entertains Avalon Bridge Club

Mrs. Avey White was hostess to the Avalon Bridge club Saturday morning at 9:30 at her home here. Four tables of bridge were played and a plate luncheon was served to the members and other guests.

Guests other than club members were: Mesdames R. B. Gibson, E. C. Christian, R. E. Martin, E. M. Hancey, J. A. Randall and Miss Johnny Malow.

### Young-Gilmore

Miss Mildred Young became the bride of Dr. O. T. Gilmore of Conway, Ark., last night at 8 o'clock at her home on West Paradise street.

To the strains of the wedding march played by Miss Enid McCarroll, the couple unattended, entered the reception hall where Dr. C. A. Waterfield, pastor of the Methodist church here, in the presence of a few close friends, and relatives of the bride performed the beautiful double ring ceremony. The bride wore a handsome going away gown of dark brown velvet, trimmings of ermine fur and accessories to harmonize. After the ceremony other friends arrived for the reception where congratulations and best wishes were extended.

The date of the wedding had been fixed for August 30, but was moved up on account of the departure of Dr. Waterfield for Colorado Springs this morning.

Mrs. Gilmore is a daughter of Mr. and Mrs. J. H. E. Young of this city and has lived here all through her girlhood. She is a very talented and charming young woman, a graduate of Vernon high school and two years ago studied voice at the conservatory of New York City. Last year she attended Southern Methodist University at Dallas and while there met Rev. Gilmore, who was doing post graduate work. While at the S. M. U., Mrs. Gilmore was a member of exclusive Cappa Delta sorority sang in the University choral club and was prominent in the work of the Y. W. C. A. She has been prominent in church work here and through her lovely voice has contributed much to the advancement of music in Vernon. She is a member of the Musicians club of this city and it is with regret her friends see this

talented musician leave the city.

Dr. Gilmore is a graduate of Hendrix college of Arkansas where he received his A. B. degree. Two years were spent in S. M. U. where he received his D. D. degree. While there he was a member of Lambda-Chi-Alpha fraternity, president of the Y. M. C. A. and a member of the football team and athletic club.

Dr. and Mrs. Gilmore will leave tomorrow morning over the Frisco for Conway, Ark., where they will visit for a short while with his relatives. They will then spend a few days in the mountains of Virginia and from there will go to Charlottesville, Va., where he is pastor of the University of Virginia.

### Hillcrest Calendar

Hillcrest calendar for September is as follows:

Friday, September 22, dance, Mr. and Mrs. R. H. Coffey and Mr. and Mrs. Hub Colley.

Friday evening, September 29, Fort-two dinner, Mr. and Mrs. G. W. Backus, Mr. and Mrs. O. A. Swinburn, Mrs. J. A. Lucky and Mrs. G. E. Blackburn.

### Presbyterian Picnic

The Presbyterian church will give an old-fashioned basket picnic at Al lingham park Wednesday afternoon at from 6 to 9 o'clock.

Every member of the church and all who worship there or go to the Sunday school and visiting Presbyterians are cordially invited and requested to come, whether members or not. Plenty to eat, plenty of fun. Please bring all the children and let's all come and have a good social hour together. Every Presbyterian is expected to do his duty—at the table.

## AMERICAN ★ LEGION

Ships, pullman cars, tents, and army supply base building, private homes and hotels will house the thousands of delegates and visitors expected at the American Legion national convention in New Orleans October 16-20.

A preliminary canvass by the convention hotels and housing committee has demonstrated the fact that New Orleans will be able to house 150,000 guests.

Passenger liners will be docked and former "gobs" and marines will be allotted first cabin accommodations on them.

A Pullman city of hundreds of cars to be established in three large railroad yards, will care for 14,000 visitors, the convention committee has announced. The "hotels on wheels" will be provided with all the conveniences of a modern hostelry. Dining car service will be maintained, shower bath will be erected and all equipment will be electrically lighted while parked.

The railroads have established a

charge of \$12 for parking in addition to the \$54 for daily Pullman car rental. The average cost to the Pullman guest will be about \$2 a day.

If the size of the convention warrants it, tents will be erected on the parkways of some of the more centrally located boulevards. A model barracks, patterned after those of campment days, will be established in the Army Supply Base, a fifteen million dollar structure on the river front. Private homes will be thrown open to the veteran who brings his wife to the convention.

New Orleans hotel men have agreed upon a uniform rate schedule of \$1.50 a day without bath and \$2.50 with bath. Charges in the tent cities and improvised hotels will be from fifty to seventy-five cents a day and the cost in private homes will compare favorably with the hotel rates.

All reservations for rooms during the five days of the convention must be made through the Legion depart-

ment adjutant of the state from which the visitor comes.

## EDITORIAL

### —CIVIC PATRIOTISM—

IT IS THE DUTY OF EVERY LOYAL VERNON CITIZEN TO KEEP HOT THE TRAILS OF HOME PATRIOTISM.

A community's growth and permanent progress is measured principally by the scope of its commercial activity. By ITS ABILITY TO SUPPLY A MEANS OF LIVELIHOOD FOR THOSE WHO REQUEST IT. This situation rests entirely in the hands of we Vernon citizens and not only becomes a civic duty BUT A PATRIOTIC DUTY.

WE VERNON FOLKS SHOULD BE KNOWN ALL OVER THIS SECTION AS BIG-HEARTED, HARD-HITTING, CIVIC BOOSTERS. And we want you to apply this splendid quality to a feature of our community life and on a 100 per cent basis. THIS IS TO TRADE AT HOME.

Pulling dollars out of a community is another form of pulling out the very props that serve as its foundation.

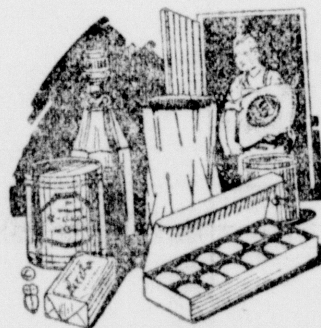

Patronizing the business men of other localities and living in Vernon is straddling the fence that divides the splendid force which you could otherwise be lending to our city's progress. This might be plain talk, BUT IT IS ALSO PLAIN FACTS.

The merchandise, prices and service offered the Vernon purchasing public preclude any excuses that might be offered for trading outside our own city. THERE IS NOTHING TO JUSTIFY SUCH ACTION AND STILL WANT TO BE KNOWN AS A LOYAL VERNON BOOSTER.

The furniture stocks of our city, the clothing, drugs, hardware, bakery, auto, shoe, jewelry, building supply, household, millinery, photo, electrical, plumbing, tailoring, and in fact, almost every class of merchandise or service to be found elsewhere, is here in such degree and sufficiency as to make Vernon a trading center able to supply your every want and AT MONEY-SAVING FIGURES.

Realize the truth of this statement, and resolve to be a 100 per cent Loyal VERNON Citizen by being 100 PER CENT LOYAL TO ITS COMMERCIAL, PROFESSIONAL AND MANUFACTURING INTERESTS.

This means PROSPERITY, Civic Advancement and hitting the line that helps to retard our civic progress—AND HITTING IT HARD.

A SUGGESTED PROGRAM FOR  
WILBARGER COUNTY

- 1.—THE LEE HIGHWAY.
- 2.—THE BEST CAMPED AND  
MOST BEAUTIFUL CAMP GROUND  
IN WEST TEXAS.
- 3.—COUNTY-CITY AUDITORIUM.
- 4.—PUREBRED LIVE STOCK ON  
EVERY FARM.
- 5.—\$2,000,000 ANNUAL POULTRY  
CROP.
- 6.—ANNUAL COUNTY FAIR.
- 7.—A SYSTEMATIC DEVELOP-  
MENT OF TREES ACROSS THE  
COUNTY ON BOTH SIDES OF THE  
COLORADO-TO-GULF HIGHWAY.
- 8.—VERNON HAS THE CLIMATE  
AND THE SOIL. EVERY PROP-  
ERTY OWNER SHOULD TAKE AD-  
VANTAGE OF THIS FACT BY SET-  
TING OUT TREES IN THE RESI-  
DENTIAL SECTION. VERNON  
CAN BE MADE THE MOST BEAU-  
TIFUL CITY IN TEXAS.

Vacation days for Odell boys and  
girls will soon be over for school  
starts there on next Monday. O. G.  
Laurier, new superintendent, will be in  
charge of the schools there this year.The News is authority for the state-  
ment that Chillicothe is furnishing  
both Quannah and Childress with wa-  
ter and as soon as a new well is com-  
pleted the water department there will  
be in position to make daily shipments  
to Amarillo.Knox county citizens are lending en-  
couragement in every possible way to  
hog growers. Last week a delega-  
tion of fifteen or twenty of the business  
men from Goree and Munday toured  
the county visiting all farms where  
registered hogs are being grown. It  
was found that many of the Knox  
county farms are being stocked with  
registered hogs. A livestock asso-  
ciation will be formed.

## A LESSON FROM VERNON

Wilbarger county is going to have a  
get-together barbecue and picnic at  
Vernon today. There will be no po-  
litical speaking at the picnic and the  
avowed purpose is to bring the people  
of the county together in friendly  
meeting where all differences will be  
forgotten, for the time being at least,  
and they can commune as friends and  
neighbors, all pulling for the common  
good.

Every city and county in Texas, and  
for that matter over the entire nation,  
should have at least one such picnic.  
Wilbarger county is going to hold  
once each year. It will be one of the  
greatest influences for good that can  
be imagined. It will remind the peo-  
ple that they are here on earth to live  
as friends and neighbors, and that  
though they may have different ideas  
on political and other questions, that  
when it comes down to bed-rock they  
are all serving one God and one coun-  
try.

Perhaps no year in the political his-  
tory of the country has wrought so  
much bitterness as has the year now  
passing. Friend has been turned  
against friend and brother against brother  
in many cases and over nothing  
more than differences of opinion. That  
the people of Wilbarger county have  
seen fit to get together and be friends  
and forgetting their differences,  
shows that the people of Wilbarger  
county are far-sighted and strong in  
their desire to do the right thing. Peo-  
ple like that never go far wrong.

Coming together as brothers as they  
are going to do in Wilbarger county  
brings to mind those times in bible  
history when the good people gathered  
for feasting and praising their God  
for the blessings given them.—Wichita  
Falls Record-News.

Tears of joy were shed by members  
of miners' families when the "work"  
whistle sounded at West Frankfort, Ill.  
for it meant that daddy was going  
back to work.

With the announcement that rail-  
road executives and shop craftsmen  
cannot reach an agreement for ending  
the railroad strike comes the an-  
nouncement that the war-time scale of  
wages will be asked by the main-  
tenance of way men.

That alfalfa will mature without  
rain has been demonstrated by John  
Ray, Ford county farmer, who has  
just completed the task of putting up  
ninety-two bales of first class alfalfa  
off a 5-acre tract on which no rain  
has fallen since a subsequent cutting.

With a classification of a seven per  
cent road all the way from Red river  
to Clovis, Vernon is now in position  
to ask the board of directors of Lee  
Highway to make designation of the  
highway over the cut-off route, which  
is shorter, better road and gives ser-  
vice to more people.

The business men of Plainview and  
a number of the lower plains towns  
are staging regular monthly trades  
day programs which attract large  
crowds. Plainview will hold her next  
big event of this kind on Monday. The  
chamber of commerce of that city is  
looking after the all important matter  
of improving the roads to and from  
Plainview so the farmers for miles  
around may bring their produce to  
market and buy their supplies. Trade  
extension work is all important and  
Plainview is making the most of it.

KANRED WHEAT  
GIVES BEST YIELDM. B. OATES, AGRICULTURAL  
AGENT FOR DENVER, SUBMITS  
YIELD REPORT.

Kanred wheat beats other varieties  
in almost every instance, according to  
M. B. Oates, agricultural agent for the  
Denver railroad. Its showing is so  
remarkable that it has not been pos-  
sible to find a single instance where  
Kanred has dropped in yield below  
other varieties when the conditions  
were equal. Reports continue to  
come in which prove the superiority  
of Kanred.

Following are the latest reports on  
yields of Kan red wheat:  
Bob Machen, Red Springs, Baylor  
county made 20 bushels to the acre on  
his Kanred wheat which tested 61. His  
Turkey Red made 14 bushels and test-  
ed 60.

Walter Siddons, Seymour, made 15  
bushels per acre on Kanred and 11  
bushels per acre on Turkey Red.

J. M. King, Oklamoon, had Kan-  
red wheat and soft wheat and both  
made the same yield, yield being only  
4 bushels per acre. He states that  
his Kanred wheat was on thin land  
and came up in January. It was all  
sowed late.

W. A. Atkins, Medicine Mound,  
made 17 bushels per acre on Kanred  
which tested 60 and 12 bushels per ac-  
re on soft wheat which tested 57. He  
says, "I will sow 300 acres this fall  
all Kanred. It is the best wheat I  
ever sowed."

A. Moseley, Quanah, made 10 bush-  
els per acre on Kanred, testing 59.  
This was the yield off 20 acres. He al-  
so had 500 acres of Mediterranean  
which was too poor to cut.

J. F. Newberry, Childress, had Kan-  
red wheat that made 14 bushels and  
Miracle wheat which made only 3 and  
9-10 bushels.

Frank Bishop, Claude, made 20 bush-  
els per acre where he had Kanred and  
4-12 with mixed Turkey red.

C. J. Brummett, Claude, made 8  
bushels per acre with Kanred which  
tested 60 but he did not have any other  
variety.

Pete Lang, Amarillo, had Kanred  
and Turkey Red which both made a  
yield of 8 bushels per acre.

## THREE LITTLE PLANTS

One day last spring one of our neigh-  
bors gave us three little plants. All  
came from the same garden on the  
same day and were the same kind of  
plants. We planted one by the side  
of the road, where it got just what  
nature happened to give it. Another  
was planted on the shady side of  
the house. The third one was plant-  
ed in the center of the backyard,  
where the waste water from the kit-  
chen sink could reach it every day.  
And now it is time for maturity and  
what is the result?

The flower by the house got too  
much water and not enough sun-  
shine. It rained so much the first month that  
it was almost drowned out. Then  
the dry weather came and the flower  
just stood there barely alive all sum-  
mer. Today it is a dwarfed, flower-  
less stem. No beauty, no pleasure to  
anybody, but it has had the same time  
and the same work spent upon it. The  
flower by the road has had all sum-  
mer, but it did not get enough rain  
to balance the sunshine and it is dried  
up and almost dead just when it  
should be living in all its glory. The  
flower in the back yard that was fed  
by the waste water from the kitchen  
every day, received the same number  
of sunbeams as the one by the road,  
but it is a thing of beauty. It is  
literally loaded with perfect blooms.  
It is fulfilling its complete mission  
in this world, giving beauty to every-  
one it meets and sending its fragrance  
out into the whole yard. It is a joy  
to the whole family.

Why the difference? Simply this.  
The flower by the house had too much  
water and not enough sunshine to  
fulfill its mission in life. The one  
by the road had enough sunshine,  
but not enough rain to balance the grow-  
ing possibilities of its life. The third  
flower grew perfectly by utilizing the  
waste water. It did more. It pre-  
vented an ugly, unsanitary place in  
the yard by absorbing the waste wa-  
ter. And now instead of an empty,  
ugly, unhealthy puddle of stagnant wa-  
ter, all through these long, lonesome,  
cloudy, frosty, Autumn days there is  
something beautiful to look at through  
our kitchen window as we wash dish-  
es three times a day.

Yesterday we talked about juvenile  
crime. Can you see any analogy be-  
tween the story of the three plants  
and juvenile crime? What is the re-  
sult when a child has too much of one  
thing no matter how essential that  
one thing is to its life, and not enough  
of another? What is the result when

a child's life is tossed by fate to the  
side of the great broad road of man-  
kind to live and grow by chance with  
no one to care for it; with no one to  
see that the needs of its life are bal-  
anced; with no one to provide a way  
for it to have enough of one thing  
to keep the other part of its nature  
growing? But it is the fate of the  
third plant that we would have you  
think about most. What saved it?  
What brought its life to perfect ma-  
turity? What enabled it to fulfill its  
mission in this world? Was it not  
what otherwise would have been wast-  
ed?

Why have we so many dwarfed and  
fruitless lives in the world today?  
Why are there so many unhappy, mis-  
erable and withered men and women  
dragging through life without a ray of  
hope or joy in their lives just when  
they should be enjoying the glory of a  
beautiful, fruitful life? And why  
have we so many juvenile criminals  
in our land at this hour? Is it not  
because some have had too much joy  
and money and pleasure in their lives  
and others have not had enough? And  
do you not think if the time and mon-  
ey that is being wasted in America to-  
day could be utilized to provide the  
kind of schools and pleasure and en-  
vironment necessary to a balanced life  
for all the children that we would not  
only save and bring to a successful  
maturity millions of lives in the fu-  
ture, but by using the waste money  
and time for those who need it, we  
would also save the lives of those that  
are being wrecked by waste?

But it is not alone money and time  
that is needed. The other day a tea-  
cher said to a motherless boy, "Son, I  
am proud of your work this year."  
The answer was, "You are first man  
that ever said that to me." The sun-  
shine of the soul is a kind word once  
in a while. And the moisture that  
makes a boy's life grow is a word  
of sympathy now and then when his  
heart is cold and hungry. If we  
would give a little bit of love to the  
boys and girls that we are wasting  
on our own selfish selves it might fill

## The Business Game

To us Business is the greatest of all games, perhaps because  
we don't have much time to play anything else, anyhow be-  
sides a living we get lots of fun out of what we are doing  
and try to play the game fairly and squarely.

As we see it, business should be played with the same fine  
sense of honor and honesty as obtained in any other game.  
We know no reason why in business the Golden rule should  
not govern as in other games and firmly believe our efforts  
to practice what we preach in all our dealings is what  
makes the game so fascinating.

PEOPLE sometimes wonder why soft drinks taste  
so much better in bottles. Once you know the  
reason, the difference is easy to understand.

The soft drink bottler, who is in the business ex-  
clusively of bottling soft drinks, knows, like a good  
cook, how to get the best results. And because his  
business depends entirely upon public satisfaction  
with his products, he must keep them up to the  
highest standard.

He uses only the best of tested ingredients, and  
proportions them accurately by modern machinery  
so there is no variation in strength or quality. His  
plant is kept clean and sanitary, and every bottle is  
thoroughly sterilized before being filled.

## WILBARGER COUNTY NEWS

## WHITE CITY

By Special Correspondent.

White City, Aug. 25.—The continued dry weather is damaging crops considerably in this vicinity. The hot weather is causing the cotton to open rapidly and some farmers will begin picking soon. Most everyone is heading maize and gathering corn at present.

Most every family has been enjoying watermelons and cantaloupes, the past few weeks. Those who didn't raise any have been enjoying those grown by their more fortunate neighbors. Some have been marketing them in the nearby towns. The dry weather will cause almost a complete failure of the late melon crop.

Seymour Dunson is improving though still seriously ill with typhoid fever. His sister, Mrs. H. B. Adams of near Harrold is with him yet.

Mrs. L. A. Anderson was removed from a sanitarium in Vernon to her home near White City last week. She is seriously ill at present and is too weak for an operation which will be necessary for her recovery.

S. E. Floyd and family and Mr. and Mrs. Lee Coffey returned Saturday from a pleasant fishing trip to Beaver Creek.

Pierce Box, J. M. Knapp and M. M. Dunson were in Vernon on business Tuesday.

Mrs. D. D. Kemp and daughter, Miss Eldis of Forney, Kaufman county, arrived Friday for a visit with her sister and family, Rev. and Mrs. W. W. Adams, also to be with her niece, Mrs. L. A. Anderson who is seriously ill.

J. H. and C. L. Adams were in Farmers Valley Sunday.

The White City Baptist Sunday school is progressing nicely. Every one is invited to attend each Sunday at 10 o'clock, a. m.

Mr. and Mrs. J. N. Nance and children of Electra visited her brother and family, Mr. and Mrs. L. A. Anderson Sunday afternoon, returning home Sunday night.

Ray McDaniel of Fargo visited his uncle, Drew McDaniels, in this community Monday.

Grady Stowe has purchased a new Ford coupe.

Rev. W. W. Adams and L. A. Anderson were in Vernon on business Wednesday.

M. L. McDaniel has returned from an extended visit with relatives in Sulphur and Durant, Okla., but will leave soon for a visit with a daughter in South Texas. Mr. McDaniel and son, Drew, are considering moving to Sulphur Springs to make their home.

The new six room bungalow being erected by R. A. January to replace his residence destroyed by fire recently is nearing completion, and will soon be ready for occupancy by the family.

Mrs. M. M. Dunson was called to Vernon Saturday to be with her brother, Jewel Richardson who was seriously ill with appendicitis, but he submitted to an operation and was better Monday. Mrs. Dunson returned home Monday.

Mr. and Mrs. Lee Armstrong and daughters, Ruth and Dorris and Mrs. Chas. Igon of Dooms, visited Mrs. Armstrong's parents, Rev. and Mrs. W. W. Adams Thursday afternoon. Mrs. D. D. Kemp and daughter, Miss Eldis, returned home with them for a few days' visit.

Mr. McCraithen and children were visitors at Fargo Thursday.

Mr. and Mrs. J. H. Adams and children of Pleasant Valley visited relatives at White City Thursday.

Mr. and Mrs. Rix and children of near Crowell are visiting Mr. and Mrs. R. L. and Mr. and Mrs. Raymond Oliver.

## ODELL

By Special Correspondent.

Odell, August 29.—R. J. Stowe, who has been visiting in Oklahoma, has returned home.

Miss Emma Henry of Farmersville is visiting Misses Hester and Laura Crain.

S. G. Gable and family left the latter part of last week for Rio Grande Valley for a two weeks' visit.

A. B. Vasey and wife left Monday for a visit with si parents at Bovina.

Miss Myrtle Vasey, who has been visiting with her brother and sister for the past month, returned to her home at Bovina.

Steve Fisher is visiting his sister, Mrs. L. A. Cummins.

J. L. Sullivan returned from Jones county, where he has been visiting relatives and friends.
